PREMIER
TUTORS GROUP

ABOUT US

THE PREMIER STORY

Premier Tutors Group is a tutoring collective that aims to bring tutors and students together in a collaborative and social way. We are based in Auckland, New Zealand.

In Auckland, there is a huge gap between what students were paying for tutoring, and what the tutors themselves were getting paid. Many companies charge upwards of \$35 an hour per student, while tutors get paid minimum wage, despite doing the majority of the work.

Our collective began as an association for the benefit of tutors and students alike. We wanted to act as a liaison between these two groups, allowing for lower costs to students, as well as higher wages for tutors. At Premier Tutors Group, your tutor or proofreader will always be fairly compensated.

As our collective grew, our vision also began to evolve.

OUR VISION

Premier Tutors Group is not your average tutoring company. Firstly, we aren't a company. We are a collective. We are a team of tutors, proofreaders and directors who work together to provide our students with the best quality of service.

We believe in social, inclusive learning, and we provide many opportunities to meet and socialize with other tutors and students.

We have two main goals at PTG.

Firstly, we want to create a bridge that extends from high school through until after graduation: a support network between those who are seeking help for the next stage of their education, and those who have already been there.

Our university tutors provide guidance for high school students, while our professional mentors provide guidance for our university students.

Secondly, in the long term we aim to open a PTG headquarters: a shared space for students and tutors to work together.

With classrooms for group tutoring sessions, open plan areas for collaborative learning and space for seminars and workshops by our professional mentors.

OUR VALUES

Premier Tutors Group works for our tutors, proofreaders and students. We will always do our best to make sure our students receive the best education, and our tutors and proofreaders are fairly treated.

TED X TALKS

22 June 2015 • Aotea Centre

As always, we'll be connecting you to 16 awesome speakers with 16 amazing ideas (and some very cool entertainment in between). We know that TEDx is about meeting other people in the audience too, so we've built in three big breaks and our best ever free lunch (spoiler: food trucks). And with some of Auckland's most welcoming bars a short stroll away in Wynyard Quarter, there's plenty of scope for those post-TEDx conversations to continue well into the small hours.

TEDxAuckland always sells out – so don't be that person that meant to come but didn't get a ticket. Your \$110 gets you all-day access to the venue, an awesome lunch and an ideas injection to carry you all the way through to TEDxAuckland 2016. Get into it!

Speakers include AUT's Professor of Public Health, Grant Schofield, New Zealand Music Award finalist, Sorceress Soundsystem, and award-winning political columnist, Tom Scott.
